

Stepping Stones, First Presbyterian Church School for Young Children, is a mission of The First Presbyterian Church of Graham, TX. The Church offers this preschool program out of its basic belief that children should have the opportunity to experience God's love through relationships with others within a spiritual environment.

Enrollment is offered to church members and the community as a means of fulfilling families' needs for their children to experience social interaction with children their own age and to learn developmentally appropriate skills in a positive environment.

**School days are
MONDAY,
WEDNESDAY,
and FRIDAY from
9:00 a.m. - 1:30 p.m.**

We worship together at 11:00 a.m. on Sunday mornings and other special services throughout the year. We feel we do this best through traditional methods of liturgy such as responsive readings, music, scriptures, preaching, and prayer.

We participate in the sacraments of baptism and communion regularly. We also provide daily and seasonal devotional materials to our members for added personal growth at home.

God's Hand is at Work in this Church!

For the majority of the membership in this congregation, our roots run generations deep. For us our church is much more than a building where we come to worship and see friends on Sunday. It is our home and its members our family.

SUNDAY SCHOOL 9:45 A.M.
TRADITIONAL WORSHIP
SERVICE 11:00 A.M.

We invite you to Worship with us each Sunday morning at 11:00 a.m. We also have a variety of Sunday School classes for children, youth, and adults that begin at 9:45 a.m.

Whether you are a lifelong Christian or a person who is just beginning to explore a personal relationship with God, you are more than welcome here! This is a safe place to ask questions even as we discover together who God is and who we are called to be.

Who We Are

We are a service-oriented church believing that we serve Christ best when we serve others and this is practiced internally and externally to our church.

Our members are diverse in denominational, educational and geographic background and represent a wide variety of occupations and professions.

We are open to changes that move us closer to God and improve our church.

Much of the direction of our ministry is derived from the command of Jesus to love one another.

We feel blessed when we are able to help one another within and outside our church family.
