

We are really excited about what's happening at First Presbyterian in Graham America. As we enter this Spring Season we are looking for willing people to help serve in all the ongoing and seasonal programs.

Please take a look at the areas of ministries listed and complete the form on this brochure. Tear or cut off information form and place in the basket in the Narthex so we can get you the information necessary to get involved.

We invite you to be part of a great TEAM reaching and building strong families for the Lord.

Who We Are

We are a service-oriented church believing that we serve Christ best when we serve others and this is practiced internally and externally to our church.

Our members are diverse in denominational, educational and geographic background and represent a wide variety of occupations and professions.

We are open to changes that move us closer to God and improve our church.

Much of the direction of our ministry is derived from the command of Jesus to love one another.

We feel blessed when we are able to help one another within and outside our church family.
